World Languages at Jane Addams Middle School

Seattle Public Schools is committed to making its online information accessible and usable to all people, regardless of ability or technology. Meeting web accessibility guidelines and standards is an ongoing process that we are consistently working to improve.

While Seattle Public Schools endeavors to only post documents optimized for accessibility, due to the nature and complexity of some documents, an accessible version of the document may not be available. In these limited circumstances, the District will provide equally effective alternate access.

Benefits of Learning a Language (in middle school)

• Younger learners have more neuroplasticity
• Makes learning subsequent languages easier
• Helps students to have a deeper understanding of the language(s) they already speak
• Gives students more flexibility in high school (24 credits)
• Opens up opportunities for traveling abroad.
Curriculum

Our courses aim to teach students to:

• understand
• speak
• read
• write
• explore the life and culture of Spanish/French-speaking people
Grading and Standards

Competency is measured by:
• oral use of the language in class
• listening exercises
• completion and correction of homework assignments
• assessments (written and/or spoken) quizzes, tests, exams (midterm & final)
• projects
• presentations

Students should be prepared to work hard, have fun and learn a lot!
